

Southington Sports Scene

The best of the best

Six Blue Knights qualified for the first round of the CT Shootout, and five advanced to the final contest. On Monday, Jan. 30, the Blue Knights squared off against the best skiers in the state at the GS Shootout. The top 30 girls and the top 30 boys will compete in the Slalom Shootout on Monday, Feb. 6 for a chance to represent the state on Team CT.

Above, Christa Case exits the gate at the start of her second run.

At left, Sebastian Doughty clears a gate. With his 17th place finish, Doughty advanced to the Slalom.

Bob Chambers, left, and Bryan Chambers, right, share a laugh with their father, Bill, between runs.

Above, Austin Florian weaves his way through the course for his final run. Florian advanced to the second round as the top finisher in the boys event.

Christa Case builds up speed on her first run of the day.

Erika Florian attacks the girls course for her second run. Florian, a freshman, advanced with an 11th place finish in the girls event.

Above, Brian Chambers attacks the course and advanced to the next round with his 7th place finish.

At left, Bob Chambers builds up speed between gates. He advanced with a fifth place finish.

We're fighting kidney cancer with robotics

The Hospital of Central Connecticut is using advanced robotic surgery to treat kidney cancer, as well as non-cancerous kidney disorders including urinary blockages. The robot's tiny little tools allow our highly experienced surgeons to make the smallest possible incisions, and to more easily access difficult-to-reach areas. Patients may recover faster, have fewer side effects, and experience less pain and scarring.

For more information, visit www.thocc.org/robotics.

For a physician referral, call 800-321-6244.
